## 5 Great Reason to Invest Seasonal Maintenance Protection Plan

### 1. Manufacturer Requirement

if you don't have regular maintenance and there is a part failure, your warranty may be declined.

### 2. Prolong Equipment Life

your furnace air conditioner are big investment, like your car, they require tune-ups.

Correct minor problems before they become major expenses.

### 3. Energy Savings

Reduce your energy consumption by up to 10% with proper adjustments and cleaning.

### 4. Safety

Venting, Flame sensing, safety switches and drain lines of furnaces should be checked every year.

We'll service your furnace in the fall and return in the spring for your air conditioner.

### 5. Priority Service

Receive priority over the customers for emergency service.
